**Note #1:** The above listed costs are the State of Utah contract rate for Fisher Scientific. For you to get a comparable price, you should contact Rick Pietrantonio at 412-490-1228 and mention that you are going to enroll in the Marijuana Leaf Technician Program in Utah and would like the State discount.

**Note #2:** Item #3 cannot be purchased from Fisher Scientific. The link is to an Internet office supply store that can provide you with the necessary Wilson Jones Log book.

**Note #3:** Item #4 is a service provided by a private calibration company located in Salt Lake City.
